Congratulations to all!

Some housekeeping!

To all the members who complain that they do not receive the newsletter we want to advise them to go on the website, scroll down and subscribe to the newsletter. The Protection of Personal Information Act (Popi Act) prevent us from sending letters to everybody.

Range bookings for handgun are no longer required. However, for the Air Rifle/.22 Range and the 100m Rifle Range, you must book with Tannie Rene.

KSSC is hosting the First SAPSA Handgun and PCC Nationals over the weekend of 20 – 22 March 2021. The pre-match will be from 18 – 19 March.

For this reason, we must close the range from the 11<sup>th</sup> of March 2021 and it will only re-open on Wednesday 24 March 2021. This will enable us to prepare and do the building that is necessary.

Please note: the gates will be closed as no visitors will be allowed on the weekend of the competition.

### Dates to diarise

**Saturday, 27 February - IDPA Club Shoot**

**Saturday, 6 March - IPSC Club Shoot**
