MAY 2021

Dear KSSC Members

It is with sorrow that we say good-bye to Harry Milesen. He had been a member of KSSC for over 30 years and was also an honorary member. He served on the committee as well in various positions. Our deepest condolences go to his family.

We trust that you are all aware of the proposed amendments to the Firearms Control Act. These amendments do not only influence self-defence, but also every aspect of our shooting sports.

The foundation of these unworkable amendments is the **Socio-Economic System Impact Assessment Report (SEIAS)** from 2015! Feel free to open the link:

http://www.policesecretariat.gov.za/downloads/FAC_Bill/5_SEIAS_Report_JCPS_CAB_COMM.pdf?fbclid=IwAR34L3cOfydeXz9Ib9282AjsRQ1zRBkZFb-cm1BK_tZPWhz7_d5ncR4BJ7s

You are welcome to go to Paratus.info and read the first submission of Gideon Joubert where he highlights the flaws in die SEIAS.

The Amendments include

- Ban on self-defence firearms
- Ban on reloading and reloading equipment
- Ban on private collectors
- Ban on suppressors
- Ban on permanently deactivated firearms
- Ban on transportation of firearm and ammunition
- Ban on under 16's from shooting
- Ban on security companies from using semi-automatic firearms
- 8 licence's only for dedicated sport
- Ballistic sampling every time you buy/sell a firearm
- Limitation on cartridges in possession

We urge **you all** to have your say and submit comments via email to: comments.fcabill@csp.gov.za.

We as Kraaifontein Sport Shooting Club will also submit comments on the Bill.
