Dear KSSC Members

We start this newsletter with some sad news. Adiel Harris, one of our past committee members, died on the 10th of November. He was an IPSC Range Master and a well-known RO around the country. Our heartfelt condolences to his family.

Louise Groenewald was selected to be a virtual judge at the *United Through Sport World Virtual Youth Festival 2020* that took place with its headquarters in Bangkok. Thank you for the long hours you put into the judging while representing IPSC.

During the past couple of club matches, we were pleased to see some young faces. It is a fantastic way for a parent and his/her child to spend some quality time together. It is hopefully also a way to ensure that the young ones will grow to love the sport as much as we do. More importantly, it is a way to educate children about safety and safe gun handling. Safety is always **Rule 1!**
